Dear Sir/Madam:

This is in response to your request for records, Tracking Number, MRU-FOIA-65-289. Your Freedom of Information Act and/or Privacy Act (FOIA/PA) request was received by this office which serves as the receipt and referral unit for FOIA/PA requests addressed to the Department of Justice (DOJ). Federal agencies are required to respond to a FOIA request within 20 business days. This period does not begin until the request is actually received by the component within the DOJ that maintains the records sought, or ten business days after the request is received in this office, whichever is earlier.

We have referred your request to the DOJ component(s) you have designated or, based on descriptive information you have provided, to the component(s) most likely to have the records. All future inquiries concerning the status of your request should be addressed to the office(s) listed below:

Dear Mr. Burnett:

This letter responds to your Freedom of Information/Privacy Act (FOI/PA) request dated April 30, 2018, received by the Drug Enforcement Administration (DEA), Freedom of Information/Privacy Act Unit (SARF), seeking access to DEA records. Your request has been opened and assigned the above case number. Please include this case number when corresponding with this office.

With regard to your Case Number: **1:12-CR-00042-BAH**, please be advised that DEA does not maintain or retrieve investigative information by case numbers. Our investigative records are maintained and retrieved by investigative file references or file numbers assigned by this Agency. Thus, the case number is of no assistance in locating records responsive to your request.

However, the records you seek require searches in another office or offices, and so your request falls within "unusual circumstances." See 5 U.S.C. § 552(a)(6)(B)(i)-(iii). Because of these unusual circumstances, we are extending the time limit to respond to your request beyond the ten additional days provided by the statute. We have not yet completed a search to determine whether there are records within the scope of your request. The time needed to process your request will necessarily depend on the complexity of our records search and on the volume and complexity of any records located. For your information, this office assigns incoming requests to one of three tracks: simple, complex, or expedited. Each request is then handled on a first-in, first-out basis in relation to other requests in the same track. Simple requests usually receive a response in approximately one month, whereas complex requests necessarily take longer. At this time, your request has been assigned to the complex track.
